I like to create units of 12 figure for use with Tanks & Yanks. The figures are mounted on individual stands or bases.

I would like \$3.00 per figure and \$6.00 for machine guns with crews of 2 figures. 37mm gun and crew of 2 are \$6.00

I use platoons of 12 figures each with at least 2 light machine guns.

I attach 37mm guns to a particular unit.
